The festival is organized by the theater group GT Hlinsko in close cooperation and support of Gymnázium K. V. Raise Hlinsko. Other partners are: Municipal Cultural Club Hlinečan, Children's House Hlinsko, Tourist Information Centre Hlinsko and the town of Hlinsko. Students prepare the festival and its program by themselves under the supervision of the head of the association Lada Leszkowová. They work very hard to bring the best programme possible to Hlinsko public. During the preparation of the festival students get many practical skills in foreign languages, computer graphics, marketing and most basic social skills for everyday intercourse. The programme includes fresh, unusual and experimental pieces of art. Thanks to the festival, people in Hlinecko have the opportunity to see theater, music and dance performances at a very professional level, but still outside mainstream culture. Prepared artistic program is not only fun, GT Hlinsko has always been trying to point out delicate topics of today's society forcing the viewer to ponder.

The festival is usually divided into a theater day in the Multifunctional center Hlinsko, music day on an outside stage (music bands, fire show, BMX show,...), and family day at Betlém, where creative workshops, foreign cuisine, street theatre, street art, contests, music and dance performances are ready for visitors.

The festival, which lasts several days, is designed for all age groups.
